## COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

---

In my last sale of January 18th and 19th the collection of Hard Times Tokens realized over \$1200.00. This information is given for the benefit of many bidders who have expressed a desire to know what they realized. It also gives the collector an opportunity to have an almost complete check list of the Hard Times Tokens.

This sale contains an endless variety of all classes of coins and some very desirable material.

My mailing list contains over 1000 active collectors. There will be distributed over 1200 catalogues. As I have sent catalogues repeatedly to some bidders and have never received any bids I will be compelled to take such names off my mailing list unless I receive some bids for this sale.

Send in your consignments for my next sale, do not wait and same will be catalogued promptly on receipt. My business has been established over 25 years and I am ready to sell collections large or small. Terms on application.

Will endeavor to show results that will please you. Send in your bids promptly and do not wait. Bids are apt to be overlooked or arrive too late if sent at the last moment. Be sure to bid on the right lot. Thanking you for past business and soliciting your further patronage.

**WILLIAM HESSLEIN,**

**101 Tremont St., Boston, Mass.**

P.S.—The auction house of the Wm. K. MacKay Company is located right near my office and faces the rear of the well known Parker House of this city. Will be pleased to make hotel reservations at the well known Bellevue Hotel for any contemplating staying over night.

## TERMS OF THIS PUBLIC AUCTION SALE

This is a public Auction sale and bidders unknown to me are requested to give bank or other reliable reference or their bids cannot be executed. Or otherwise kindly forward in advance remittance of 25% of the amount of your bids. Auction sales are strictly for cash. Your bids are as binding as any contract, so do **not bid unless you are sure you can pay for what you bid on.** No claims will be allowed unless same are made promptly. The cataloguer has endeavored to describe all coins fairly and to mention any defects.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid \$4.50 for the lot then bid \$1.50 for each &c. A 5 per cent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins dollar for dollar. All coins are guaranteed genuine in this sale.
